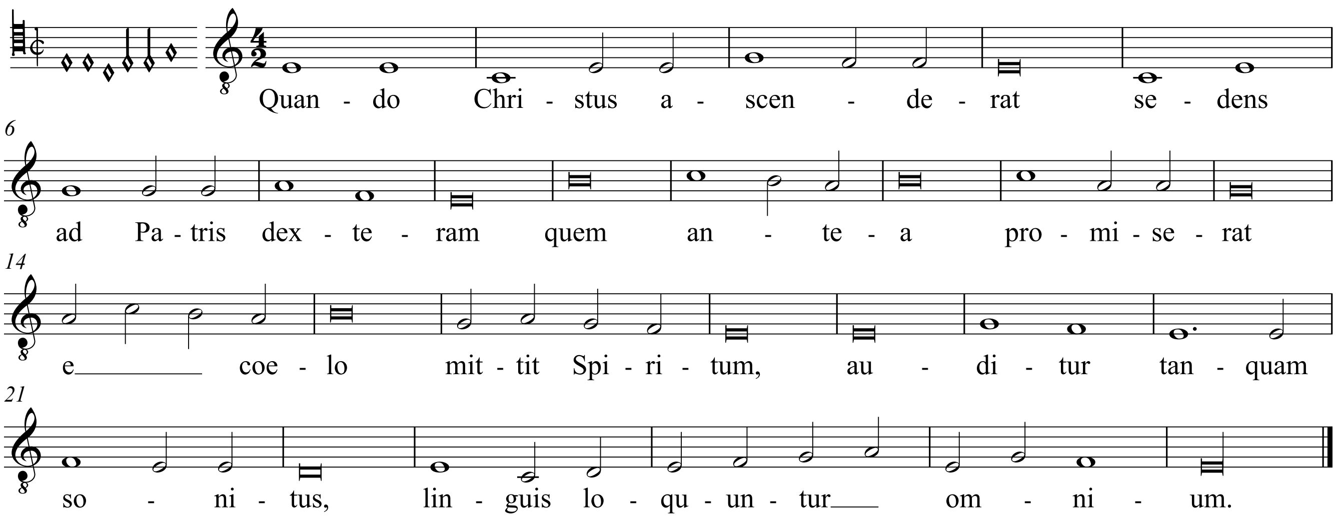
34. Quando Christus ascenderat

Piae Cantiones 1582

Anonymus



2. Hic subito adveniens metum incussit omnibus,
Et consolatur pavidos Apostolorum animos,
Qui statim linguis variis docent Dei magnalia.

3. Foecundat hic Ecclesiam diversis donis, sterilem,
Consolatur, illuminat et servat conscientiam,
Adversus mundum, Sathanam et dirae mortis impetum.

4. Patrem oramus igitur coelestem, Sanctum Spiritum,
Ut nos in fide Filii pura semper retineat,
Alleluia, alleluia, benedicamus Domino.
